

4th EuCheMS Chemistry Congress

August 26–30, 2012, PRAGUE, Czech Republic

With great pleasure and pride, we would like to officially invite you to attend the 4th EuCheMS Congress, taking place on 26–30 August 2012 in Prague, Czech Republic. The biannual congress will offer you a possibility to learn from experts in the field of chemistry, share experiences with companies, scientists, academics and debate about challenging topics.

Registering for The Congress means:

- attending almost 2000 scientific and professional practice paper presentations
- learning from international leading key note speakers
- joining an event, where both scientific and real business experts are brought together
- enjoying our social networking events
- explore the exhibition of companies and entrepreneurs from the field

Don't miss this opportunity! It's NOW time for Prague! Go to www.euchems-prague2012.cz for more information, to register and to submit your papers.

**Kind regards,
We are looking forward to seeing you
in Prague**
